

HANA RAKROUKI

Junior Frontend / Full Stack Web Developer

Tozeur, Tunisia | Available for Remote Opportunities

✉ hannourak@gmail.com | 📞 +216 54 943 141

PROFESSIONAL SUMMARY

Junior Web Developer with an Applied Bachelor's Degree in Multimedia and Web Technology and recent professional training in Full Stack Web Development. Strong foundation in **JavaScript, React.js, HTML5, CSS3, responsive web development, REST APIs, Node.js, PHP, and databases.**

Experienced in building web interfaces and applications with a focus on responsive design, usability, problem-solving, and continuous learning. Comfortable working independently and as part of a team, with strong communication and organizational skills.

Currently seeking a **Frontend or Full Stack Web Developer opportunity**, particularly in a remote environment, where I can contribute to real-world web projects and continue developing my expertise in modern frontend technologies.
